Our Mission

Our mission is to pass on the tradition of Irish Dance, teach the basics of dance and music, and to have fun while we learn. While competition is not the sole focus of our school, we prepare our students who wish to compete so that they can do so to the best of their ability. If a dancer chooses not to compete, we provide many (optional) opportunities for them to utilize the skills they have learned by participating in *ceilis* and/or performances scheduled throughout the year.
