

Do you know a child who wants  
to take Irish Dance this  
Spring or Summer?  
Join us!

## This Spring...

We are offering **two mini-mester programs** for new beginners in **Kensington & Rockville**. These classes are 45 minutes long and run for 10 weeks. The goal of these classes is to teach the children about the music and footwork of Irish Dance, and have them learn a few fun figure or group dances. It is a great way to “try it out” to see if Irish Dancing is right for your child! The class times, locations and registration materials are found on the reverse of this page.

**Classes fill up quickly, so register soon!**

## Our Mission

Our mission is to pass on the tradition of Irish Dance, teach the basics of dance and the music it is danced to, and to have fun while we learn. While competition is not the sole focus of our school, we prepare our students who wish to compete so that they can do so to the best of their ability. If a dancer chooses not to compete, we provide many (optional) opportunities for them to utilize the skills they have learned by participating in *ceilis* and/or performances scheduled throughout the year.
